

Building

Building

The "Building" part is to be submitted many times depending on the number of buildings of your Higher Education Institution. Questions marked with * are mandatory.

We need the information of **at least one** building in order to have a picture of the university's accessibility. Should your university have other buildings too, we encourage you to fill this form again. Once again, thank you very much for taking part!

Name of the University:

ESN Section:

Name & Surname of local coordinator:

E-mail:

Building information

Type of the building:

Is it for lectures, administrative, library etc., or maybe a combination of the above.
