

Good morning everybody!

- Name: Ilona Krizsán
- 20 years old
- Faculty of Social Sciencies
- In Salgótarján, Hungary with my parents
- I am staying at the Youth Hostel of ELTE
- Student with Physical disability (cerebral palsy due to hypoxia and brain haemorrhage caused by prematurity)
- I studied in an integrated high school

ELTE University

Physically challenged students' opportunities at ELTE University

- Coordinator of students with disabilities
- Copying notes free
- Can use Braille-writing or sign language interpreter on the lectures
- Your personal problems can also be solved (eg.: special, adjusted table; special language courses)

The mentor programme

Older student can help you:

- To take your courses
- To show you where the lecture rooms are
- To use the library
- To use the electronic administration system (e.g. to apply for exams)

Lectures and seminars

- Interesting lectures
- Groupworks on the seminars
- Pleasant, friendly atmosphere on the seminars

Programmes and freetime activities

- Newspapers of all the faculties
- Film clubs with discussion
- 7th birthday of the Faculty of Social Sciences

Services at the university

- The student council
- ELTE Carrier Center
- Library with personal assistance
- Special computers for blind students

Student Hostels

- 2 or 3 students live together
- Calm and comfortable, well equipped (kitchen, washing machine)
- Concerts and lectures in English too
- Elevator

Opportunities of travelling

- Budapest has developed recently but still has a lot to work on barrier free traveling
- Combino trams and some buses are accessible
- Ramps in front of most institutes, shops, department stores, cinemas, theatres, museums which are near to the Hostel
- I was offered a barrier free student hostel near to the Faculty where I study

My opinion about the university

- Teacher-student relationship with the physically challenged student
- Everybody is an equal student
- I have good contact with other students

Thank you for your attention.

I wish you to have fun at the
University
and in Hungary too.
